

Get tipsy,  
Drink terroir.

I choose all our wines carefully, wines that are made ethically by growers, who care about our planet. Wines that I hope will make your palate dance.

All the grapes are grown organically and will reveal to your palate the expression of a dedicated terroir.

I like my wines clean, so you should not encounter too many rebels.

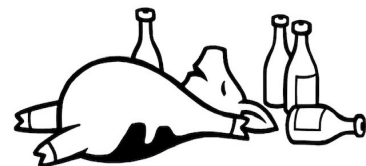

A \* will be next to the wines which can *sometimes* be funky, so your call if you're feeling adventurous.

An 'o' for oxidative notes.

My team is here to bring you on a wonderful journey, so please ask us anything.

Much love,

Margaux
